Summary

I am Aswin, a passionate Frontend Developer with a strong focus on building modern, responsive, and high-performance web applications using React.js. Skilled in React, Redux, JavaScript, HTML, and CSS, I enjoy turning complex problems into simple, elegant solutions with clean and maintainable code.

Always eager to learn and adapt to new technologies, I strive to create impactful products that combine functionality with great design.

Skills

- **Programming Languages:**
  JavaScript (ES6+)
  HTML5 / CSS3

- **Frameworks / Libraries:**
  React.js
  Redux / Redux Toolkit

- **Styling / UI:**
  Tailwind CSS
  Bootstrap

Education

■ **Bsc Computer Science**

calicut University   **2022-2025**

BSc in Computer Science, College of Applied Science, Vadakkanchery, 2025. Completed degree with a focus on programming, web development, and computer fundamentals.

Projects

■ **Pet Food E-Commerce Website**

- Developed a fully functional e-commerce website for pet food using React.js and Tailwind CSS.
- Implemented shopping cart, wishlist, and payment integration to provide a seamless user experience.
- Created an admin panel for managing products, orders, and user data efficiently.
- Designed a responsive and modern UI to ensure usability across devices and screen sizes.
